

Roadway Vegetation Spraying Notice

📌 Please be advised that roadway vegetation and weed spraying is scheduled to take place on Monday, September 14, 2026, within the Town of Church Hill.

📌 The following roadways are scheduled for treatment:

➡ Green Street

➡ New Street

➡ All roadways within Church Hill Hunt

📌 Please note that spraying will be limited to the public right-of-way area up to the curb face only and will not be applied to any private property, lawns, or landscaped areas.

📌 To assist our crews and ensure complete treatment coverage, we kindly ask residents, if possible, to refrain from parallel parking along the roadway and on adjacent grassy areas on Monday, September 14th, within the streets listed above.

📌 We appreciate your cooperation and attention to this matter as we work to maintain the appearance and safety of our community.

Thank you,

Town of Church Hill
